MEMORANDUM FOR: Chief, Contract Branch, DPD

SUBJECT : Contract No. PF-400 Granger Associates
Satisfactory Completion of Contract

REFERENCES : A. [REDACTED] 694 dated 9 July 1959
B. [REDACTED] 742 dated 13 April 1959
C. [REDACTED] -3192 dated 28 April 1959

1. In March, 1959 the flight testing of the prototype Granger Countermeasures Repeater, Mod 504, was completed at the Edwards Air Force Base, [REDACTED] California, facility. The performance of the electronic equipment was satisfactory in accomplishing the requirements of the prototype design specifications.

2. The Edwards facility was directed by CHALICE Headquarters via [REDACTED] -7742, dated 13 April 1959, cable to deliver the [REDACTED] Repeater Jammer to [REDACTED] rather than return this item to WADC. [REDACTED] -3192, dated 28 April 1959, confirmed this delivery.
